## CERTIFICATE OF ANALYSIS

|                |                   |                     |              |
|----------------|-------------------|---------------------|--------------|
| Product Name   | Reishi Extract    | Origin of Material  | China        |
| Botanical Name | Ganoderma lucidum | Part Used           | Fruit        |
| Batch Number   | SC20190712        | Date of Manufacture | July.12,2019 |
| Quantity       | 3kg               | Retest Date         | July.11,2021 |

| Testing items              | Specifications                                                                     | Results  | Test Standard |
|----------------------------|------------------------------------------------------------------------------------|----------|---------------|
| Assay(Polysaccharides)     | 30% Min.                                                                           | 35.9%    | CP2015-UV     |
| Identification             | Positive                                                                           | Conforms | TLC           |
| Appearance                 | Yellow brown Fine Powder                                                           | Conforms | Visual        |
| Odor                       | Characteristic                                                                     | Conforms | Organoleptic  |
| Taste                      | Characteristic                                                                     | Conforms | Organoleptic  |
| Sieve Analysis             | 100% pass 80 mesh                                                                  | Conforms | 80mesh screen |
| Loss on drying             | ≤7.0%                                                                              | 4.67%    | GB 5009.3     |
| Ash                        | ≤9.0%                                                                              | 3.30%    | GB 5009.4     |
| As                         | ≤1.0ppm                                                                            | Conforms | GB 5009.11    |
| Pb                         | ≤2.0ppm                                                                            | Conforms | GB 5009.12    |
| Hg                         | ≤0.1ppm                                                                            | Conforms | GB 5009.17    |
| Cd                         | ≤1ppm                                                                              | Conforms | GB 5009.15    |
| Total microbacterial count | ≤1000CFU/g                                                                         | 100cfu/g | GB 4789.2     |
| Yeast & Mold               | ≤100cfu/g                                                                          | <20cfu/g | GB 4789.15    |
| E.Coli                     | Negative                                                                           | Conforms | UPS           |
| Salmonella                 | Negative                                                                           | Conforms | UPS           |
| Packing                    | Pack in paper-drums and two food grade poly bags inside. Net weight: 25kg/drum     |          |               |
| Storage condition          | Store in a well closed place with constant low temperature and no direct sun light |          |               |
| Shelf life                 | Two years when properly stored                                                     |          |               |
| Conclusion                 | Comply with specification                                                          |          |               |
